"Schraube ist Schraube" sagen manche beim Kauf von billigen Ersatzteilen. Neuerliche Schäden sind oft die Folge. Sparen Sie daher nicht am falschen Platz!

Verwenden Sie nur Original-Pöttinger-Ersatzteile und Verschleißteile!

So erhalten Sie die volle Leistungsbereitschaft der Pöttinger Landmaschinen. Mit ruhigem Gewissen meistern Sie die Arbeitsspitzen der Saison.

Nombreux sont les gens qui disent qu' "une vis est une vis" à l'achat d'une pièce de rechange bon marché. Naturellement ils ont bien vite des ennuis et des dérangements.

Ne faites donc pas de économies de bouts de chandelle, utilisez des pièces de rechange et des pièces d'usure d'origine Pöttinger! C'est ainsi que vous obtiendrez le plein rendement de votre machine agricole Pöttinger et que vous pourrez faire face en toute tranquillité aux travaux de la pleine saison.

"Vite è vite", dicono alcuni nel comprare pezzi di ricambio a buon mercato. Spesso nuovi danni sono le conseguenze di ciò. Non risparmiate perciò al posto sbagliato!

Adoperate solo pezzi di ricambio e pezzi d'usura originali della ditta Pöttinger! Così conservate la completa capacità di rendimento delle macchine agricole Pöttinger. Con una coscienza tranquilla portate a termine i principali lavori di stagione.

"A screw is a screw", some people say when they buy cheap spare parts. Fresh damage is frequently the result. "Penny-wise and pound-foolish" is not a good policy!

Use only genuine Pöttinger spare parts and wearing parts!

This will ensure maximum performance on the part of your Pöttinger agricultural machine and you will be able to look forward to the peak working periods of the season without anxiety.
